

ECO CHEMICAL™ FENCE STAIN

Seize the Opportunity to Add Color in your Fencing Product Line!

IF YOU AREN'T OFFERING YOUR CUSTOMERS PRE-STAINED FENCE BOARDS, YOU MAY BE MISSING OUT ON A BIG SALES AND PROFIT OPPORTUNITY:

- *The demand for pre-stained fence boards is growing all over the U.S.*
- *We can help you deliver a high-quality, competitive product*
- *We have a manufacturing solution that's low cost and low risk*

ECO CHEMICAL™ FENCE STAIN GIVES YOU WHAT YOUR CUSTOMERS ARE LOOKING FOR.

- *A superior, oil-based finish in a low-VOC, waterborne formula*
- *A variety of rich colors guaranteed for 4 years*
- *Color match your pickets with your posts and rail products*
- *An attractive fence product at a reasonable manufacturing cost*

OUR BREAKTHROUGH FENCE STAIN DELIVERS THE LOOKS AND THE DURABILITY YOU NEED.

- *Excellent results on either pressure treated or raw wood products*
- *A penetrating, filmless finish that won't rub or scratch off*
- *Applies easily, with exceptional coverage consistency*
- *Non-volatile plant-based oils & waterborne formula ensure a safe workplace and easy water cleanup*

SEIZE THE OPPORTUNITY WITH THE REMARKABLE NEW FENCE STAIN FROM ECO CHEMICAL™.

- *Increase fence product sales and profits*
- *Be confident of long-term consumer satisfaction*
- *Offer an environmentally sound product with a lower cost*
